Arizona Corporation Commission,

I am writing in regard to DOCK ET-WS-01303A-16-0145. As a Sun City resident I oppose EPCOR's plans for Consolidation of five EPCOR's company districts. Sun Cities and Youngtown water and sewer infrastructures were fully paid for by the developer and were included in the price of the homes when purchased.

Ratepayers of the other three districts have not paid for the systems and have large service debt against those systems.

Now EPCOR wants the Sun Cities and Youngtown to help pay for it. There are other reasons why EPCOR wants this Consolidation, more money for their shareholder's and the perception that we in Sun Cities have too much political power and must be broken. Unlike many today we worked hard for what we have and not ask the Government to support us. Perhaps one should visit some of the homes in Sun City and Youngtown and see some of the deplorable living conditions.

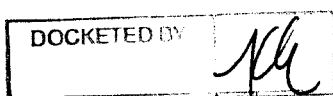

Sincerely,

Eileen Chaves
